**PREPARED BY:** Darryl W. Smith, PE

**SUBJECT:** Approval of Reimbursement for Roadway Repairs – Saddle Ridge Drive

**INTRODUCTION:** The purpose of this agenda item is to approve reimbursement for repairs to Saddle Ridge Drive (in Saddle Ridge Subdivision) by First Utility District.

**BACKGROUND:** The Board approved a reimbursement from First Utility District’s insurance company in June for repairs to Long Ridge Road. In an unrelated event, another water main break on Saddle Ridge Drive occurred in early July. This latest break resulted in significant damage to approximately 150 feet of Saddle Ridge Drive, and we have instructed our contractor to make repairs. APAC Harrison was willing to complete repairs this week, and we conclude that all repairs have been made to the Town’s standards. Upon execution of the attached settlement agreement and release of claims, First Utility District’s insurance company (Berkley Southeast Insurance Group) will issue a check to the Town for the full cost of repairs. At this time, our estimated costs are roughly \$52,000, and we should have an exact cost prior to the meeting on August 25. Staff recommends approval.

**PREPARED BY:** Darryl W. Smith, PE

**SUBJECT:** Approval of Change Order No. 2, Everett Road Improvements

**INTRODUCTION:** The purpose of this agenda item is to approve a request for change order for the Everett Road project.

**BACKGROUND:** The Board of Mayor and Aldermen awarded the contract for completion of the Everett Road improvements on May 14, 2015, for the total amount of \$3,331,705.51. During the course of this work, minor revisions have been required that were not part of the original plans, resulting in additional work for the contractor. Change order no. 1 was approved in September, 2015 in the amount of \$25,137.50. That change order was for additional work required to relocate KUB's gas line, which is part of the contract (all costs are reimbursed by KUB). The attached change order request outlines all other items to date that have required additional work, along with unit prices. One of the major additions includes the extension of sidewalk from St. Andrews Drive to Union Road, completing a pedestrian tie from this project to the existing sidewalk on Kingston Pike. Total cost for all items reflected in the change order is \$39,885.45. With approval of this change order, total contract amount is increased to \$3,396,728.46. Staff has reviewed all items, and finds costs to be well within industry standards. Staff recommends approval.

**RECOMMENDATION BY:** Darryl Smith, Town Engineer, for approval

**SUBJECT:** Approval of Supplement Request from Cannon & Cannon, Inc. for Additional Engineering Services for Kingston Pike Sidewalk Project (Old Stage Road to Virtue Road).

**INTRODUCTION:** The purpose of this item is the approval of a supplement request from Cannon & Cannon, Inc. for additional engineering services required during the early design phases of the Kingston Pike Sidewalk project between Old Stage Road and Virtue Road (adjacent to Willow Creek Golf Course).

**BACKGROUND:** The Board awarded a contract to Cannon & Cannon, Inc. for design of improvements to Kingston Pike between Old Stage Road and Virtue Road in October, 2014 for a fee of \$114,700. While the project scope included time for several discussions with the adjacent property owners, numerous discussions and plans revisions (particularly with regard to a planned retaining wall) have been deemed necessary to the project's success. Cannon & Cannon has requested an additional fee of \$7,177.50 to account for these additional services. Staff has reviewed the attached request, and finds it to be reasonable. Approval of this supplement will increase Cannon & Cannon's contracted fee to \$121,877.50.

Please note that this project is being funded with federal Surface Transportation Program (STP) funds, with an 80/20 federal/local cost share. This phase of the project (as well as ROW acquisition) is fully funded by the Town, with reimbursement of 80% of eligible costs once the phase is completed.

**REPORT TO THE BOARD OF MAYOR AND ALDERMEN**

**PREPARED BY:** Mark Shipley, Community Development Director

**SUBJECT:** Ordinance 16-12, an ordinance to rezone a portion of Parcel 69, Tax Map 142, north of the Farragut Church of Christ, 23.06 Acres, from R-2 to S-1, a portion of Parcel 69 and 69.01, Tax Map 142, east of the Farragut Church of Christ, from R-2, B-1, and C-1 to O-1, 3.44 Acres, and a portion of Parcel 69.01, Tax Map 142, from O-1 to C-1, 4.76 Acres (Goodworks Unlimited, LLC, Applicant)

**INTRODUCTION AND BACKGROUND:** This rezoning request originally involved roughly 23 acres of Parcel 69, Tax Map 142, from R-2 to S-1. As you may recall, the S-1 Zoning District was recently re-written in an effort to provide for more flexibility and a district that could serve as a transition between lower and higher intensity land uses. This 23 acre portion of Parcel 69 was viewed favorably by the Planning Commission and the public when this was discussed as a workshop item in May. The S-1 District was seen as an excellent transition district for the land area where this would be applied. The applicant is interested in developing a senior living community, known as the Villages of Farragut, on this 23 acre portion of Parcel 69. The concept plan for this development was approved by the Planning Commission at their meeting in May with one of the subject to's being the approval of the rezoning.

Also during the Planning Commission's meeting in May there was some discussion about other parcels that would be affected by the Villages of Farragut development. This question was first raised by the staff with the applicant at the Staff/Developer meeting on May 3. As part of the Villages of Farragut development, Peterson Road will be extended through and bisect properties that are currently zoned R-2, B-1, C-1, and O-1. This will result in new lots that, without some zoning modification, could be rendered undevelopable.

Consequently, in addition to rezoning the land area where the Villages of Farragut will be situated, Ordinance 16-12 would also rezone land that will be affected by the Peterson Road extension so as to provide for logical zoning designations that foster proper transition from Kingston Pike to the Villages of Farragut development. As shown on the rezoning exhibit included in your packet, and as was discussed with the Planning Commission, the southernmost portion of land affected by the Peterson Road extension would be rezoned from Office (O-1) to General Commercial (C-1). To the north and extending to the land area being rezoned to S-1 for the Villages of Farragut development, the land would be rezoned from R-2, B-1, and C-1 to O-1. In this manner, the higher intensity zoning district will be closer to Kingston Pike and transition to less intense zoning districts to the north.

On the future land use map, the majority of the areas proposed for the C-1 and O-1 Zoning Districts is shown as Mixed Use Neighborhood. This is a land use which currently does not have an associated zoning district. The proposed C-1 and O-1 districts would be the most comparable to such a land use, with the obvious exception of not providing for a mixture of residential and non-residential. Thus, an amendment to the future land use map was not needed in relation to the area shown with a Mixed Use Neighborhood land use.

However, in relation to the 23 acre portion of Parcel 69 that is proposed to be rezoned to S-1, the Planning Commission, at their meeting in June, voted unanimously to amend the future land use map for that area from Medium Density Residential to Civic Institutional. This amendment was subject to the rezoning of this portion of Parcel 69. The Planning Commission also unanimously recommended approval of Ordinance 16-12.

At the Board of Mayor and Aldermen meeting on July 28, Ordinance 16-12 was approved on first reading.
