

BEAUTIFICATION MEETING JANUARY 12, 2016

Present: Betty Scott, Marty Rogers, Claire Ansink, Jeanie Stow, Holly Janney and Arleen Higginbotham

NEW CHRISTMAS TREE

The selection of a 15' tree for the rotunda was discussed. The committee decided on the unlit one with a 74" circumference for \$1799. Arleen will order soon.

TOWN HALL FLORAL ARRANGEMENTS

Our committee used to put out fake floral arrangements on a table in the rotunda. However these arrangements are in bad shape so we haven't done so for about a year. The money for new ones is not in our budget. Bettye Newby has volunteered to rearrange the old ones and try to come up with something better looking.

BEAUTIFICATION AWARDS

Arleen needs to reserve the bus soon; so the committee chose May 5th at 9:30 am as the judging date. She will reserve the bus for 4 hours this year. Members present discussed going to lunch after we return. Holly mentioned that we should all start paying attention to residential and commercial entrances at the end of April so we know which ones to judge. She will look at all the hotels prior to May 5th and choose the best 2 or 3 for us to go by.

WREATH MAKING CLASS

We have 7 signed up so far for the 1/25 class.

Meeting adjourned at 10:45 followed by deco wreath making class,

Next meeting: March 8st at 10:00am
