REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Bud McKelvey, Public Works Director

SUBJECT: Ordinance 16-01, an Ordinance to amend Ordinance 15-08, FY2016 Budget, Equipment Fund

INTRODUCTION:

The purpose of this agenda item is to amend the FY2016 Equipment Fund Budget by allocating additional funds for the purchase of two four-wheel drive lawn mowers.

DISCUSSION:

In the FY2016-17 Equipment Replacement Fund schedule, two (2) four-wheel drive lawnmowers are scheduled for replacement. Due to excessive and extremely high maintenance costs of the current (2) four-wheel drive mowers, which are 4 ½ years old, staff request the Board of Mayor and Aldermen to consider the purchase of the replacement mowers in the current fiscal year rather than FY2017. The spring season is one of the highest growth times for grass and due to the current unreliable units, it is necessary to purchase the new units immediately.

The FY2016 budget would be increased by \$47,000.00, from available reserve funds in the Equipment Fund balance. Once the new mowers have been purchased, the current mowers will be surplus and placed on GovDeals.com for sale.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Mark Shipley, Community Development Director

SUBJECT: Ordinance 16-02, an ordinance to rezone Parcel 58, Tax Map 151, 12639 Kingston Pike, 30.13 Acres, from R-2 and Floodplain to C-1, Floodplain, and Open Space/Park (Paul R. Swan, Applicant)

INTRODUCTION: This item involves a request to rezone the property at 12639 Kingston Pike.

BACKGROUND: In March 2015, an application to amend the Comprehensive Land Use Plan (CLUP) and to rezone the property at 12639 Kingston Pike was considered as a workshop item by the planning commission. At the April planning commission meeting, the commission voted unanimously to amend the future land use map in the CLUP to change the portion of the property that was specified for Medium Density Residential to Commercial. This southern portion of the property is well over 50% of the lot. The northern portion of the property near Union Road was changed from Low Density Residential to Civic/Institutional. The area along the floodplain remained as an Open Space land use designation.

Though the applicant in March of 2015 had originally requested a Commercial land use designation on the non-open space portion of the property, the commission felt that a transitional land use should be provided between the commercial land use and the residential that exists on the north side of Union Road. Providing for such a transitional land use was consistent with the CLUP. Though other land uses could be used for transitions, the Civic/Institutional use was selected. The applicant had an interest in developing an assisted living facility on this portion of the property which could be considered institutional and the Civic/Institutional land use is shown on a portion of the adjacent property to the west. Unrelated to these land use designation changes, the applicant did not pursue the zoning map amendment from R-2 and Floodplain to C-1 and Floodplain.

DISCUSSION: Now a different applicant has requested to amend the CLUP so that the portion of the property with the Civic/Institutional land use designation would be changed to Commercial. This request will be considered by the planning commission on January 21 and the staff will update the board on the action taken. The applicant has also requested to amend the zoning map to change the zoning designation west of the floodway from R-2 and Floodplain to C-1 and Floodplain. The area to the east of the floodway is requested to change from R-2 and Floodplain to OS-P and Floodplain. This zoning map amendment will also be considered by the planning commission on January 21.

RECOMMENDATION BY: Though, in this location, an amendment to the CLUP is purely a planning commission matter, such an amendment has a significant impact on the zoning map amendment since the two should be compatible. In reviewing the future land use map, there are no properties where the Commercial land use extends to Union Road. The vision reflected in the CLUP clearly did not provide for Commercial this far north. The CLUP also encourages transitions between land uses that are very different and extending Commercial to Union Road would not provide for such a transition. From the staffs' perspective, transitional land uses could also promote other strategies in the CLUP, such as Encouraging Greater Housing Choice and Repairing Aging Shopping Centers. Does rezoning a large parcel to commercial encourage redevelopment of the Town's aging shopping centers? These are the reasons why the staff has not supported a change from Civic Institutional to Commercial for the property in question.

In terms of the rezoning and related to the staffs' position on the CLUP amendment, the staff does not support the zoning map amendment reflected in Ordinance 16-02. The staff does support a change to C-1 for the

portion of the property that was changed to the Commercial land use designation on the future land use map in the CLUP. The staff also supports the request to rezone the area east of the floodway to OS-P because such an amendment would be consistent with the Open Space land use designation for this portion of the property on the future land use map in the CLUP.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: William E. McKelvey, Public Works Director

SUBJECT: Approval of Bids for two (2) new 2016 Four-Wheel Drive Mowers

INTRODUCTION: The purpose of this agenda item is to approve bids for the purchase of two (2) new 2016 Four-Wheel Drive Mowers.

BACKGROUND: The Town replaces mowers based on a 5 year life cycle. The two Kubota mowers that are being replaced are only 4 ½ years old. Due to repair costs and issues with these mowers, the Public Works Department cannot depend on them for the remaining 6 months. Five bids were received on 1/19/16. Out of the bids received, both Kubota mowers were the lower bids with the John Deere model coming in third. The bid tabs are included which shows the results in more detail. The Public Works Department request that the Town not purchase from the Kubota brand bids due to the numerous and costly issues that have been encountered with the current Kubota mowers. In the past 2 ½ seasons, repair cost have been \$8,779.39 on the Kubota mowers. As a comparison, maintenance records on the two John Deere mowers for the last 4 ½ years are \$547.55 and encountered two minor warranty issues. The difference between the lowest Kubota bid and the lowest John Deere bid is \$3,274.00. I feel confident we can make up the cost difference in repairs before our five year cycle is up.

DISCUSSION: Attached are five bids which were received on January 19, 2016. Staff request the purchase of the (2) John Deere 1570 Terrain Cut 4WD Mowers from Farragut Lawn and Tractor in the amount of \$46,774.00 and reject the two lower bids from Kubota dealers due to mower quality issues that have been experienced.

Subject: Application for Position of Municipal Judge

Dear David:

I write to express my interest in serving as the Town of Farragut's Municipal Judge. Attached hereto please find my résumé that outlines my practice as an attorney in East Tennessee for the past twenty (20) years as well as some of the highlights of my education, affiliations and current community service involvement. Please note that I continue to be willing to serve the Town by remaining a member of the Board of Zoning Appeals, and it would be my intention to continue to honor that existing commitment if I were appointed to this new role.

Please let me know if you, the Mayor or the Board of Mayor and Alderman have any questions or concerns that I can answer. As always, I appreciate everything that you, the Mayor and the Board of Mayor & Aldermen do to advance the Town of Farragut and to make it the wonderful place it is to raise my children and to enjoy with my family.

Best wishes to you and your family for this New Year!

Sincerely,

Keith

Letter of Interest for Farragut Town Judge - Carleton P. Edmunds

From Carleton P. Edmunds, J.D.
308 Park Place, Blvd.
Farragut TN 37934

Phone (865) 640-2250
Email: cpedmunds90@gmail.com

Date: December 31, 2015

To: Farragut Board of Mayor and Aldermen
dsmoak@townoffarragut.org

Please accept my letter of Interest for consideration as a Judge for the Town of Farragut. I have been a resident of Farragut since October 1992 and have had the pleasure of watching our town develop over the years. I have a Juris Doctor from the Nashville School of Law, and a baccalaureate in science from MTSU. I am also a Rule-31 Listed Mediator in the area of family law and provide pro-bono services to our community.

While a law degree is not required for this position as Judge, I feel that having a thorough understanding of the legal system is beneficial, provided the candidate also has a broad understanding of how the legal system guides the performance of our daily lives. An understanding of law is also desirable such that codes and regulations can be enforced equitably and uniformly to serve the interests of affected parties as well as those of the community.

In addition, my training as a listed Mediator provides me with unique skills that are also desirable for a Judge. I am currently a family mediator and am familiar with the intricacies of disputes that impact and tear families apart. The mediation process is applied in the same manner to resolve the many kinds of civil disputes that impact our lives.

In the past, I have served on Farragut's Environmental Committee, have supported the Community Mediation Center in Knoxville, and have served on the Board of Directors for the Tennessee Valley Mediation Association. My resume reflects the dedication I have had for serving my community throughout my career, which has concentrated on cleaning up our environment and preserving it for generations to come.

Over the years, my personal and professional experience has provided a strong understanding of the issues that impact our lives and our community. I believe that the combination of my experience and education makes me well suited for this position. I appreciate the opportunity to submit this letter of interest and resume to serve my community as Farragut's Town Judge.

Sincerely,

Carleton P. Edmunds

Carleton P. Edmunds

Professional Qualifications

Mr. Edmunds holds a doctorate in law and a baccalaureate in chemistry with more than 40 years of combined experience in regulatory compliance and environmental management. Mr. Edmunds is also a listed Mediator under Rule 31 of the Tennessee Supreme Court for family law. This experience is combined with a strong management background that includes program development, organizational development, and supervision of full and part time staff.

Mr. Edmunds' technical experience has primarily involved environmental management and compliance, but also includes building trades, such as those regulating the insulation industry and an understanding of general health and safety regulations that govern the construction industry. Regulatory compliance experience includes identification of legally-applicable requirements including the development of regulatory guidance and policy. Compliance/oversight experience includes regulatory review and assessment, implementation and review of compliance monitoring programs, contract compliance screening, document certification, and review of documents to ensure that they are both technically and legally defensible. Experience has included expert testimony, trial preparation, and analysis of legal issues related to the performance of work.

Mr. Edmunds has more than 25 years of experience providing off-counsel legal support in association with his work in regulatory compliance. With a doctorate in law, Mr Edmunds has a solid foundation in civil and criminal law, contract law, real property law, and legal ethics. As a Rule 31 listed mediator, Mr. Edmunds is trained as a neutral to listen effectively, recognize foundational issues, and to empower affected parties to work out mutually agreeable solutions.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Janet Curry, Human Resources Manager

SUBJECT: Resolution R-16-02 authorizing the town to participate in the TML Risk Management Pool "Property Conservation" Matching Grant Program.

INTRODUCTION: The Town's property insurer, the Pool, is offering a new matching grant program for property loss prevention/control items up to \$2,500.

BACKGROUND: The Town currently experiences vandalism in the Parks. The cost of vandalism repair saps both the Public Works employees' time and maintenance budget dollars that could be better spent on needed maintenance and upgrades. Currently, the Town is expanding the amenities at McFee Park. This timing presents an opportunity to install surveillance cameras in the park to deter vandalism at McFee. McFee Park has the greatest number of visitors and use.

DISCUSSION: Surveillance cameras can record the vehicle license tag numbers. With the tag numbers, the vandals may be identified by the Knox County Sheriff's office. They can provide the vehicle owner's name. Legal action will be pursued in order that the Town's repair costs may be reimbursed. The presence of the cameras alone may be a deterrent to vandalism.

RECOMMENDATION BY: Human Resources Manager, Janet Curry for approval

PROPOSED MOTION: To approve Resolution R-16-02 authorizing the town to participate in the TML Risk Management Pool "Property Conservation" Matching Grant Program.

Town of Farragut, Tennessee

RESOLUTION: R-2016-02

A RESOLUTION BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF FARRAGUT AUTHORIZING THE TOWN TO PARTICIPATE IN THE POOL'S PROPERTY CONSERVATION MATCHING SAFETY GRANT PROGRAM

WHEREAS, the citizens of the Town of Farragut have entrusted the administration with the care and custody of town-owned property; and

WHEREAS, all efforts shall be made to protect town-owned property from various perils that may arise for the Town of Farragut; and

WHEREAS, The Pool seeks to encourage members with property coverage to develop and implement a property conservation program by offering the **PROPERTY CONSERVATION MATCHING GRANT PROGRAM**; and

WHEREAS, the Town of Farragut now seeks to participate in this important program.

NOW, THEREFORE, be it resolved by the Board of Mayor and Aldermen of the Town of Farragut, Tennessee the following:

SECTION 1. That the Town of Farragut is hereby authorized to submit application for the **PROPERTY CONSERVATION MATCHING GRANT PROGRAM** through the Loss Control Department of The Pool.

SECTION 2. That the Town of Farragut is further authorized to provide a matching sum for any monies provided by this grant.

Resolved this 28th day of January in the year 2016.
