

Eagle Scout Project Application

Please complete all items below (including the 2nd page). If you have questions concerning possible projects you may contact us but, as part of your leadership project, we suggest you first present your project ideas.

Scout's Name: _____				
Troop: _____				
Address: _____				
	Street	City	State	Zip code
Phone: _____		Cell: _____		
Email: _____		Date of Birth: _____		

PROJECT DETAILS

- What is the project that you are planning? _____

- Who will benefit from your project? _____

- How will this group benefit? _____

- Please provide a brief description of your project. Be sure to provide the following information: present condition of project area; project planning details; estimated start and end dates; any safety hazards that might be encountered and how you will ensure each participant's safety.

Proposed start date: _____

Proposed end date: _____

This Eagle Scout project will be reviewed by one or more Town staff and, upon approval, you will be notified. It is your responsibility to set a meeting date with the Town staff to discuss project plans and equipment details. If you have any questions you may contact Ben Darnell at 966-7057 or ben.darnell@townoffarragut.org

Town of Farragut Use only:

Project plans were reviewed and approved by: _____
Town of Farragut Staff Signature & Position Title

Submission of change in dates or plans: _____

Final Completion Date: _____

By signing below, I agree and understand that my project proposal will be of significant value to this community. I agree to personally arrange a meeting between myself and the Town of Farragut staff to discuss my project proposal, planning details and to obtain approval from the appropriate sources. I also understand that I must provide proposed start and end dates along with my planning procedures. If these plans or dates change, I understand that I will contact the appropriate Town of Farragut staff member. Any major changes in the planning or project procedure must be submitted in writing. Finally, I understand that I must submit a final report that should, at least, contain the following: project details, how this project benefited the community, any problems encountered and any changes in the proposed plan.
