

Town of Farragut—Arts and Beautification Committee

April 17, 2023

Members Present: Marianne McGill, T.C. Williams, Sue-Ann Hansler, Annie Dittmann, Joyce Moran, and Dora Taggart

Town of Farragut Staff: Arleen Higginbotham and Ron Oestreich

The meeting was called to order at 11:30 AM by Annie Dittmann. The March minutes were distributed to the members. TC Williams moved the minutes be approved and Joyce Moran seconded the motion. Motion carried.

With Merritt on vacation and several other members missing, it was decided to postpone the powerpoint about the Art and Flower show until next month.

Ron mentioned the need to replace the banners outside. Once the evaluation of the banners is made and a determination of which need to be replaced, the committee will be notified. Annie mentioned that help is needed to plant the flowers out front, and the committee decided that everyone would pitch in as available. Arleen will send an email with the dates and solicit volunteers.

A discussion ensued about the Pleasant Forest reenactment. It was determined that it will likely be held in spring of 2025 and that more discussion will be had in upcoming months to determine details of the event.

Ron mentioned adding a Christmas Beautification award. He will get more information about how the award was handled in other areas and present it at a future meeting.

Meeting was adjourned at 12:25pm through a motion by TC and seconded by Marianne McGill.

Respectfully submitted,
Dora Taggart
Secretary

The next meeting will be held on Monday, May 15, 2023.
